

## Is adjuster staffing slowing you down?

Davies can help you get back to full speed

**With the peak season for claims on its way, make sure you're prepared.**

**We can help you source highly skilled and qualified adjusters to ensure your business can make the right staffing decisions.**

### Why work with Davies?

We can help you source temporary & permanent independent adjusters for all Property, Casualty and Auto lines

Where our adjusters are deployed is up to you - your office, or remote

We have a vast network of adjusters, covering all 50 states to support your staffing needs

Our global resourcing expertise can help you source specific skillsets

We provide management, oversight, licensing and specialist training as required to meet your specific demands
