

Life & Health Solutions

A full-service third-party administrator and consulting firm, specializing in the management of individual and group disability and long-term care products.

Davies Life & Health is a Davies Company. Davies delivers operations, consulting and technology solutions across the risk and insurance value chain, including excellence in claims, underwriting, distribution, regulation, customer experience, human capital, transformation, and change management.

To discuss how Davies Life & Health, Inc. can help your business, contact **Andy Cohen**, President, Davies Life & Health at andy.cohen@us.davies-group.com.

Why Davies:

- ✓ **Technology Driven** - We are an innovation leader with proprietary long-term care and disability management platforms that leverage fully integrated, real-time data.
- ✓ **Disciplined Operations** - We take a methodical, thoughtful approach to long-term care and disability claims management, focusing on thorough investigations and objective evaluations.
- ✓ **Tailored Solutions** - Our robust suite of services can be easily customized to meet your specific needs.
- ✓ **Results Focused** - We offer consulting, claims review, and audit services that lead to recommendations for improving performance, increasing compliance, and reduced risk, based on proven tools, leading practices, and extensive industry-specific knowledge.
- ✓ **Full Lifecycle** - We have experience with various long-term care rate increase structures and scenarios, and we offer an end-to-end rate increase product, from actuarial work through implementation.
