

Personal & Commercial Auto Claims Solutions

Expert claims solutions tailored to fit your needs

Who We Are

Driven by technology and powered by experience, Davies provides a suite of services to support you and your customers through the end-to-end claims journey.

Our Solutions

Claims Solutions

We work with insurers, brokers, MGAs, corporates and public entities to deliver great customer service and improved underwriting performance, through efficient management of the claims process.

Technology

The service you deliver is integral to the success of your business. With the right technology, Davies can help you to heighten your customer experience, improve underwriting performance, and streamline processes.

Insurance Services

Our Insurance Services capability is deep, but simply defined, with our teams aligned to our core insurance markets: Intermediaries, Insurer & Market and Captives. We work with Lloyd's syndicates, MGAs, brokers, insurers, reinsurers and international captive owners.

Consulting

We help organizations seeking to harness the power of automation and digital transformation helping them gain competitive edge, to streamline their delivery and service, and to manage operating costs.

Overview

We provide end to end solutions for property, liability, workers' compensation, auto claims, and more, handling over 200,000 claims each year.

We offer a full range of desk-led technical claims handling, adjusting, appraisals, and supply chain solutions.

Whether you need help building and managing your claims program or field adjustment assistance, our claims solutions are designed to provide you with the support you need to operate your core business and grow your organization.

Benefiting Clients and Customers

Nationwide coverage to support you wherever claims occur

Flexible service options to provide you with the level of service that matches your needs

Claims Solutions

Our professional claims management team provides customized and client-specific services to meet the needs of managing general agents, self-insured corporations, domestic insurers, brokers, and syndicates.

We provide services to regional, nationwide, and international organizations with personalized services designed to fit each client's exact needs.

Our management professionals ensure that quality, timeliness, and thoroughness are maintained to meet our clients' expectations and deliver:

- » Lower total cost solution resulting in improved loss ratio performance.
- » Improved claims settlement outcomes for our clients.
- » Reduced claim file lifespans.
- » Reduced claims frequencies and increased favorable settlements.
- » Reduced litigation.
- » Increased third party intervention.
- » Improved fraud detection.
- » Improved subrogation recoveries.

Personal and Commercial Auto Claims

We have over 40 years of experience in all lines of personal and commercial auto adjusting and claims solutions. Our expertise allows us to understand the wide range of needs and trends in the insurance industry and provide quality service quickly and efficiently.

We strive to produce an excellent work product and ensure our clients are receiving the support they need. Each of our clients is assigned an account manager to understand their specific requirements, assist in monitoring the quality and consistency of our service, and provide continuous communication throughout our relationship.

Our personal and commercial auto claims solutions provides claim adjudication for a variety of coverages including, but not limited to:

- Preferred and Non-standard Personal Auto Policies
- Trucking Liability
- Tractor and Trailer Physical Damage
- Commercial Auto
- Garage Keepers
- Dealers Open Lot
- Livery Service (Taxi and ride sharing)
- Person-to-Person vehicle and watercraft sharing services
- Tow Truck Liability
- Commercial and Personal watercraft

Third Party Administration Solutions

Our extensive third party administration capabilities are designed to address the claims management needs of all covered risks and offers:

- » Tailored end-to-end service to ensure highly effective claims administration for new and runoff programs
- » A single point of entry for all new claims via customized first notice of loss solution
- » Consistent handling by a designated or dedicated team, supported by specialist field adjusters
- » Early resolution of valid claims by proactive settlement
- » A robust approach to record only incidents (not a covered event)
- » Built in fraud screening throughout the handling process
- » Fund management if required
- » Close cost control and management of legal and other vendors
- » Reduced indemnity spend and lifecycle
- » Management information reports/dashboards to monitor claims spend and track trends
- » Improved subrogation recoveries

Adjusting Solutions

Our property adjusters serve as the eyes and ears of our clients to assess the damage and collect essential data so that our clients can make the appropriate coverage decisions.

With each assignment, our professional and licensed adjusters are proficient in utilizing industry-recognized estimating systems to supplement their judgment and experience to prepare accurate and reliable damage estimates we deliver.

Through our experienced teams and broader network, we can offer:

- » Property estimates
- » Complex casualty claims
- » Catastrophic events of all kinds
- » Structural engineering services
- » Fraud identification and management
- » Emergency events phone lines operating 24/7, 365 days of the year

Our Unique Offering

Choosing the correct outsourced provider is essential for all businesses to get right. Partnering with us means you'll have access to leading claims technology, specialist insurance professionals, and trustworthy end-to-end claims solutions. We are constantly adapting and innovating to provide our clients with quality service.

Flexible Service At Scale

We design our services to support your precise needs. That's why we offer flexible service and pricing models to provide you with the right amount of service you need to make sure your operations continue to run smoothly.

To provide a personalized service, your account manager will sit down with your team to understand your objectives, how you would like claims and adjustments managed, and if you have any special requirements. Understanding your needs allows us to tailor our services to your unique requirements and become a trusted extension of your organization.

Industry Expertise

Creating a culture where our people can grow and thrive ensures we attract and retain the very best technical talent to support our valued clients. We employ experienced claims adjusters, appraisers, and claims management professionals, with an average of over 15 years of experience.

We're proud to have one of the lowest employee turnover rates at just 7% per year. This helps us ensure we provide our clients quality service by building strong relationships over time between our individual employees and their clients.

Innovative Technology Solutions

We invest in providing innovative, secure solutions that allow us to provide swift and accurate resolutions for our clients, including:

- Claims processing platform
- Video and drone claims handling solutions
- Claims automation
- Speech analytics
- Virtual reality training solutions

Our Coverage On A National Scale

At a time of crisis, it's important that your insureds are provided with an empathetic and reliable service to get them back on their feet as soon as possible. We provide service across the nation, so no matter where losses occur, our representatives will be close by, ready to help resolve the issue.

Our global team of more than **5,000 professionals** operates across the UK, Ireland, the US, Canada & Bermuda.
